Greetings Economic Activity Working Group,

We wanted to give you an update on our next meeting. **We will not be having a meeting for**

**July.** Instead we will be holding **a joint meeting with our Neighborhoods Working Group in August.**

The meeting will center around **a presentation by the Mayor's Great Streets Team.**

They will be talking **about the potential economic and environmental benefits of place-making, and how we can work together to develop place-making projects on our Promise Zone commercial corridors.**

We do not have a set date but we will be in contact and will send out a collective update soon.

Best Wishes,

--
